

Experience Peru + Tambopata low land jungle

16 days / 15 nights

Our first destination is Arequipa, known as the white city, because of the popular buildings of a stone called «sillar», and placed at the feet of the Misti volcano. Admire the beautiful flight of the condors in the deep Colca Valley. Then visit Lake Titicaca, where native inhabitants show their interesting way of life on the islands of the highest navigable lake in the world. Discover the impressive archeological treasures of the Inca empire in Cusco city and the sacred Vilcanota valley. Observe the spectacle of the coloring and loudly macaws and parrots in the Collpa, while you experience the incredible biodiversity of the tropical forest in the protected areas of the Tambopata river.
