

Experience Peru + Paracas and Nazca

16 days / 15 nights

From Lima, the peruvian capital, we first arrive at Paracas, the only National Park in the peruvian coast. We travel on to Nazca to fly over the mysterious Nazca lines. The next destination is Arequipa, known as the white city, because of the popular buildings of a stone called «sillar», and placed at the feed of the Misti volcano. Admire the beautiful flight of the condors in the deep Colca Valley. Then visit Lake Titicaca, where native inhabitants show their interesting way of life on the islands of the highest navigable lake in the world.
